Vigilance Management Information System

Complaints Module

Introduction

Vigilance Management Information System (VIG-MIS) has automated the management of Vigilance related cases which are being handled by Vigilance Department in our bank.

VIG-MIS consists of three modules as follows:-

- **Complaints Module**
- **IAC Module**
- **Vigilance Cases Module**

User Type and Privileges:-

Following user levels are present in the Vigilance Management Information System:-

a) VIGILANCE HO ADMINISTRATOR

Home	User List	User Creation	Reports	Change Password
5135 VIGILANCE DEPTT., H.O., NEW DELHI			Gulshan Daultani	Vigilance Administrator

b) DESK OFFICER

Home	Complaints	Reports	Change Password
HO Vicilance		Manoi Bist	Vicilance Desk Officer

c) CO/ZAO USER

Complaints	Reports	Change Password
------------	---------	-----------------

Login Screen

The screenshot shows the login interface for the 'GREEN VIGILANCE' system. At the top, a green oval contains the text 'GREEN VIGILANCE'. Below this, the title 'Vigilance Management Information System' is displayed in red, accompanied by a small eye icon. Underneath the title is the tagline '(Towards Professional & Ethical Excellence)' in blue. On the left side, there is an illustration of a white dove in flight. To the right of the dove are two input fields: 'User ID:' and 'Password:'. Below the 'Password:' field is a 'Log In' button. At the bottom of the screen, the motto '"Without Fear, Without Favour"' is written in red.

- 1) **User ID:** User will enter the user id (PF Number).
- 2) **Password:** - User will enter the Password. Default Password will be pnb123.

Add Erring Official to Same Vigilance Case

Submitting 1st Stage Reference to CVO:

In order to submit **the first stage reference** to CVO, Select the fifth option in Vigilance Menu.

3. Draft ChargeSheet

4. Add connecting Official to same Vigilance case

5. Submit 1st Stage Reference to CVO

6. 1st Stage refer

7. 1st stage Advice Received and Details of ChargeSheet to be served

Then we will be displayed the following screen. Select the Vigilance no and Extension Number, Enter the justification on **proposed penalty Proceeding**.

The screenshot shows a web form titled "Submit First Stage Reference to CVO". It contains two dropdown menus: "Select Vigilance Case:-" with the placeholder "----Select Vigilance Case Number----" and "Select Vigilance Extension Number:-" with the placeholder "----Select Extension Number----". Below these are three buttons: "Show Personal Details and Case Reference" (highlighted with a blue border), "Show Biodata", and "Show Draft ChargeSheet". A text area labeled "Justification on Proposed Penalty Proceeding" is present, followed by a "Submit 1st Stage Reference to CVO" button.

After submitting the first stage reference to CVO we will be displayed the following message.

The screenshot shows a confirmation message "First Stage Reference Submitted Successfully" in green text. Below the message is a "Submit 1st Stage Reference to CVO" button.

Receiving 1st stage Reference from the CO (VDO user):

Select the first option in the Vigilance Module for displaying the 1st stage reference.

The screenshot shows a menu titled "Vigilance" with various options. The first option, "1. Vigilance Case For 1st Stage Reference from CO (CVC Applicable or Not)", is highlighted with a blue background and a white box around the number "1". Other options include "2. CVC Applicable Case For 1st stage Reference to CVC", "3. CVC Applicable Case For 1st stage Advice from CVC to CVO", "4. Refer the case to DA/CO/PAD for 1st stage advice", "5. Vigilance Case for 2nd Stage Reference from CO (CVC Applicable or not)", "6. CVC Applicable Case For 2nd stage Reference to CVC", "7. CVC Applicable Case For 2nd stage Advice from CVC to CVO", "8. Grant 2nd Stage Advice to DA/CO/PAD", "9. Close Vigilance Case", "10. Monitor Minor Stage Proceedings", "11. Monitor Major Stage Proceedings", and "Monitor Case Proceedings".

Then we will be displayed the following screen. Select the Vigilance Case no and **Extension Number** in which we want to see the reference.

The screenshot shows a web form titled "Vigilance Case For 1st Stage Reference to CVC (CVC Applicable or Not)". It contains the following fields and controls:

- "Select Vigilance Case:-" with a dropdown menu showing "----Select Vigilance Case Number----".
- "Select Vigilance Extension Number:-" with a dropdown menu showing "----Select Extension Number----".
- "Whether CVO Agrees ?" with a dropdown menu showing "---Select---".
- "Justification on Ist Stage Reference" with a large text area.
- "Save" and "PRINT" buttons at the bottom left.

Select **Yes** or **No** and Enter the Justification on 1st stage Reference.

This screenshot shows the "Whether CVO Agrees ?" dropdown menu open, displaying three options: "Yes", "---Select---", and "No". The "Yes" option is currently selected and highlighted in blue. The "Justification on Ist Stage Reference" text area is visible below the dropdown.

After saving we will be displayed the following message.

The screenshot shows a confirmation message displayed on the screen: "Case Sent for Reconsideration to the respective Disc. Authority". The message is in green text. Below the message, there are "Save" and "PRINT" buttons.

Receiving the reference back for Reconsideration:

If the reference is send back to CO, we can see by choosing the 6th option in the Vigilance Module as shown in below.

5. Submit 1st Stage Reference to CVO
6. 1st Stage reference received back for reconsidered views
7. 1st stage A 6. 1st Stage reference received back for reconsidered views served
8. Proceedings of Minor Charge Sheeted case
9. Charge Sheet, Enquiry and Post Enquiry Details in MAJOR/GROSS Vigilance Cases

Then we will be displayed the following screen. Select the Vigilance number and Extension Number, then we will be seen the following screen.
